UNSTARRED QUESTION NO:2614
ANSWERED ON:01.12.2016
Scheme for Integrated Textile Parks
Patle Smt. Kamla Devi

Will the Minister of TEXTILES be pleased to state:

(a) the salient features of scheme for Integrated Textile Parks in the country;

(b) the details of the textile parks set up in the country at present, State-wise and the details of the jobs created by these parks;

(c) whether the Government has assessed the performance of these parks; and

(d) if so, the details and outcome thereof?

Answer

MINISTER OF TEXTILES
(SMT. SMRITI ZUBIN IRANI)

(a) & (b): The Scheme for Integrated Textile Park (SITP) aims at addressing infrastructure constraints in the textile industry on a cluster basis. Government of India provides financial assistance upto 40% of the project cost subject to a ceiling of Rs. 40 crore for developing common infrastructure and common facilities in the parks. The scheme is implemented in Public Private Partnership (PPP) mode by group of entrepreneurs/Industry Associations by forming Special Purpose Vehicle (SPV) under Companies Act. Presently a total of 66 textile parks are at various stages of implementation across the country. State wise list of textile parks is attached at Annexure I. These textile parks have created employment for over 79000 persons so far.

(c) & (d): The performance of these parks have been reviewed regularly in the meetings held by the Ministry and also through periodic inspections/field visits by the Office of Textile Commissioner. Ministry has also commissioned a study to assess the performance of the parks under the scheme. The studies have brought out that the textile parks have contributed towards compliance of social, environmental and safety standards in textiles sector besides creating new growth centers of the textile industry and have provided employment to about 79000 persons in the catchment area.
